

Trash Trucks

TA-318
TA-327

TA-340
DA-254

CECOR Trash Trucks are designed for collecting and hauling bulky, light density loads. With a relatively small footprint these trash trucks park where scrap is being produced.

Tough enough for use in the factory, these carts come in 18, 27 and 40 cubic foot capacity. The DA-254 is fitted with dumping trunnions for elevated dumping from fork lift or hook hoist.

TA-340-6R

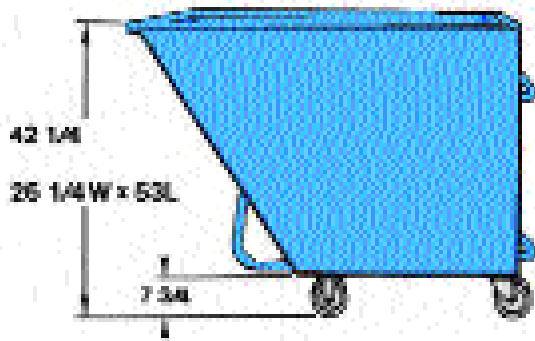

Optional tow link is available on models TA-318, TA-327 and TA-340 for towing in trains.

- **Rugged all-metal construction with fully-welded leak-proof seams.**
- **6 inch industrial casters.**
- **TA Series feature reinforced dumping knees for complete, controllable manual emptying at floor or dock level.**
- **Extremely maneuverable, even when fully loaded.**
- **Available options include tow link, and separate hinged cover.**

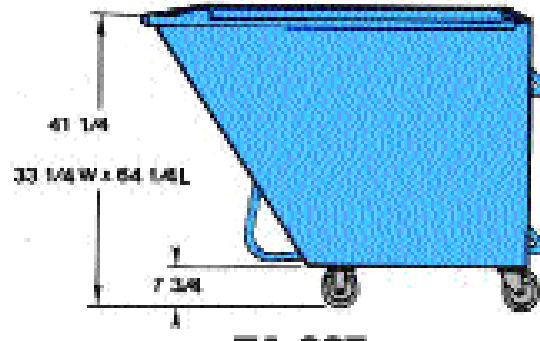

TA-327-6R

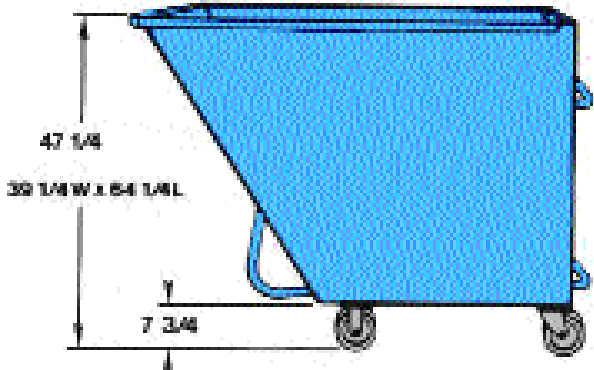

Ergonomic design features controllable two-stage dumping action.
